To Whom It May Concern:

I have known Tom Linsin, and worked with him on a professional level since early in 2007. I have been a lender since the early 90's. I began working for The PrivateBank as Senior Mortgage Lending Officer in charge of the Kansas City residential mortgage lending department last year. Prior to that I worked at Bank of America for 15 ½ years and American Mortgage Company for 2 ½ years. I office in the same executive suites building as Linsin & Associates. As a result, I have had the opportunity to get to know Tom personally. I have also had the opportunity to use his professional services. Tom Linsin has been placed on the approved appraiser list for The PrivateBank as well as the approved appraiser lists of many of the investors that The PrivateBank uses as a result of being a correspondent lender. I highly recommend Tom Linsin as an appraiser as he is very thorough, conscientious and efficient. His communications skills are also excellent.

Please feel free to contact me at 913.402.6056 (work) or at 913.707.3109 (cell) if you have any further questions.

Sincerely,

Caryn K. Clements
Senior Mortgage Lending Officer
